

UGA ASA DATAFEST 2026

April 10 – April 12, 2026

- Friday, April 10 (5:00–8:00 p.m.)
- Saturday, April 11 (8:00 a.m.–7:00 p.m.)
- Sunday, April 12 (8:00 a.m.–3:00 p.m.)
- Location: UGA Innovation District, 210 Spring Street, Athens, GA 30602

UGA ASA DataFest 2026 is an intense, weekend-long data analysis competition where teams tackle a large, real-world dataset provided by a major corporation. Showcase your skills in statistics, data science, analytics, and machine learning in a collaborative, high-energy friendly environment. Teams compete to uncover creative insights and communicate their findings effectively. After two days of data wrangling, analysis, and presentation design, each team will have about five minutes and no more than three slides to impress a panel of judges. For more details visit: [ASA DataFest](#).

Competition Highlights:

- Students are encouraged to form teams of three to five, and priority will be given to those who register as complete teams.
- Separate competitions for undergraduate and graduate teams.
- No participation fee — meals will be provided, along with free parking at the event location.
- Graduate students and faculty will be available to provide guidance throughout the event.
- Prizes will be awarded for Best in Show, Best Visualization, and Best Use of External Data.

REGISTRATION DEADLINE:
FEBRUARY 27, 2026 AT 5:00 P.M. EST

Other Participating Institutions:

- Emory University
- Georgia Southern University
- Georgia State University
- Mercer University
