

GEORGIA STATISTICS DAY 2025

Friday October 31, 2025

8:00 a.m. (breakfast), 8:45 a.m. (conference starts), 5:30 p.m. (end)

Georgia Center for Continuing Education University of Georgia, Athens, GA

Rotating between UGA, Emory, and Georgia Tech, this annual conference was established to promote interdisciplinary research in statistics and data science in the state of Georgia and the surrounding region. Great opportunity for students to showcase their research.

Keynote Speaker Dr. Liza Levina
Vijay Nair Collegiate Professor of
Statistics University of Michigan
